For the purpose of complying with SEBI (Prohibition of Insider Trading) Regulations, 2015, the term 'Legitimate Purpose' shall include sharing of unpublished price sensitive information by an insider with holding Company, subsidiary companies, associate companies, companies in the same group as the Company, partners, collaborators, lenders, customers, suppliers, merchant bankers, legal, business and other professional advisors and consultants, auditors, company secretaries, chartered accountants and cost and management accountants in practice and insolvency professionals, in the ordinary course of business, or for the purpose of:

- Furtherance of the Company's business; or

Provided that such sharing is not carried out to evade or circumvent prohibition laid down by the Regulations.

Any person in receipt of unpublished price sensitive information pursuant to a 'legitimate purpose' shall be considered as an 'insider'. Further, a notice shall be served to the recipient of the unpublished price sensitive information informing the recipient to maintain confidentiality of such unpublished price sensitive information.

The Company adopts principles, practices and procedures as under to ensure fair disclosure of unpublished price sensitive information and undertakes to follow the same:

1. The company and the 'Designated Persons' shall maintain confidentiality of all unpublished price sensitive information (hereinafter referred to as 'UPSI'), shall communicate the same purely on 'need-to-know basis' and shall not communicate to any unauthorised person or on selective basis.
2. The Company shall ensure uniform and universal dissemination of UPSI to avoid any selective disclosure of such information.
3. The Company shall promptly disclose UPSI once such credible and concrete information comes into being.
4. The Company shall disclose UPSI by making its prompt disclosure with sufficient and unambiguous details to the Stock Exchanges on which its securities are listed. The Company shall also disclose UPSI on its website.
5. In case the Company finds that any UPSI has been disclosed selectively, inadvertently or otherwise, it shall promptly disclose and disseminate as soon as the circumstances permit such information to make it uniformly and universally available to general public.
6. The Company designates its 'Company Secretary' as its Chief Investor Relations Officer and entrusts him with the function of dissemination and disclosure of UPSI. The Company Secretary is entrusted with giving appropriate and fair response to the regulatory authorities in respect of queries, questions and explanations in relation to news reports and market rumours.
7. The Company shall ensure that no UPSI is shared with analysts and researchers on selective basis.

8. The Company shall ensure that its conferences with analysts and investors shall be open to participation by all analysts, shareholders, investors and general public.
9. The Company shall record/make transcript of proceedings of its conferences with analysts/investor conferences and make the same accessible to all by uploading the same on its website.
